

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

Claims 1 to 7. (canceled)

Claim 8. (withdrawn) A method of inhibiting the decrease of the content of a prostaglandin derivative in an aqueous liquid preparation, comprising storing the aqueous liquid preparation, containing a prostaglandin derivative that is liable to be adsorbed on a container and slightly soluble in water, in a resin container formed from a polymer alloy of polyethylene terephthalate and polyarylate.

Claim 9. (withdrawn) A resin container formed from a polymer alloy of polyethylene terephthalate and polyarylate for storing an aqueous liquid preparation containing a prostaglandin derivative that is liable to be adsorbed on a container and slightly soluble in water.

Claim 10. (new) A prostaglandin-containing product comprising an aqueous liquid preparation containing a prostaglandin F2 α derivative having a fluorine atom or fluorine atoms in a molecule which is stored in a resin container formed from a polymer alloy of polyethylene terephthalate and polyarylate, wherein a component ratio of polyethylene terephthalate/polyarylate is 1/2 to 2/1, thereby inhibiting the decrease of the content of the prostaglandin F2 α derivative in the aqueous liquid preparation.

Claim 11. (new) The prostaglandin-containing product according to claim 10, wherein the prostaglandin F2 α derivative is a difluoroprostaglandin F2 α derivative.

Claim 12. (new) The prostaglandin-containing product according to claim 10, wherein the prostaglandin F2 α derivative is 16-phenoxy-15-deoxy-15,15-difluoro-17,18,19,20-tetranorprostaglandin F2 α ; 16-(3-chlorophenoxy)-15,15-difluoro-17,18,19,20-tetranorprostaglandin F2 α ; 16-phenoxy-15-deoxy-15,15-difluoro-13,14-dihydro-17,18,19,20-tetranorprostaglandin F2 α , or an alkyl ester thereof, or a salt thereof.

Claim 13. (new) The prostaglandin-containing product according to claim 1, wherein the prostaglandin F2 α derivative is 16-phenoxy-15-deoxy-15,15-difluoro-17,18,19,20-tetranorprostaglandin F2 α or an alkyl ester thereof, or a salt thereof.
